## VEHICLE / PEDESTRIAN ACCIDENT

On Wednesday September 19, 2007 at approximately 5:55 PM officers of the Allen Police Department were called to the intersection of Pebblebrook at North Greenville Avenue to investigate the report of a vehicle striking a child who was riding a bicycle. The driver involved stated that he was making a turn from Pebblebrook onto northbound Greenville and did not see the child riding a bicycle. The child was pinned under the vehicle for a short period of time before bystanders were able to free the child by lifting the vehicle. The child was transported by Care Flight air ambulance to Parkland Trauma Center in Dallas. The investigation of this accident continues and the Allen Police Department asks that any citizen that may have additional information to please call the Traffic Unit of the Patrol Services Division at 214-509-4339. The identity of the child is being held pending family notification.

Upon obtaining any further pertinent information concerning this incident, an updated News Release will be disseminated.
