AGGRESSIVE DOG COMPLAINT FOLLOW-UP

On Sunday, February 4, 2007 Allen Police and Animal Control Personnel responded to reports of two loose pit bull dogs that were aggressive in the area of Bell Drive and Cambridge Drive. The two pit bull dogs were located and aggressively advanced toward Animal Control and Police Personnel. One officer discharged his service weapon striking the animal which then fled the area. Officers located the animal in the 200 block of E. Bethany, the animal charged at two officers who then fired their duty weapons striking the animal which subsequently then expired.

Due to the fact that officers discharged their service weapons the incident was investigated by members of the Criminal Investigation Division and Internal Affairs Unit. The investigation revealed that officers involved in the incident were not involved in any wrong doing. The action taken by officers was justified.

Upon obtaining any further pertinent information concerning this incident, an updated News Release will be disseminated.
