Keep Allen Beautiful Recycled Art Contest

All Allen ISD students are encouraged to join in celebrating Allen Recycles Day by participating in the Keep Allen Beautiful Recycled Art Contest.

To: Art Teachers, AISD Schools; PTA Environmental Chairs

From: Kathy Keller-Mielke kmielke@cityofallen.org

City of Allen Community Services 214.509.4552

Allen City Hall, 305 Century Parkway

Thanks for choosing to participate in the Keep Allen Beautiful Recycled Art Contest celebrating Allen Recycles Day! We look forward to seeing the creative entries from your school. Please feel free to e-mail or call me with any questions. The steps are listed below:

- 1. Material requirements change by grade level. Please see page 2 for further explanation of contest rules.
 - > Kindergarten & 1st grade—coloring contest
 - \triangleright 2nd, 3rd and 4th grade—poster contest
 - > 5th grade to 9th grade—recycled materials sculpture contest
 - > 10th -12th grade 60 second Video promoting school recycling
- 2. Judge the entries for your school and deliver the winning three entries from each grade to Kathy Keller-Mielke, Allen City Hall, by 5 pm on Thursday, October 25th.
 - Please write the student's name, school, grade, teacher and contact number on the <u>back</u> of each entry delivered to City Hall. (Suggest using the signature page attached to this email.)
- 3. Winners will be displayed in the City Hall Rotunda from Tuesday October 30th to Saturday November 3rd.
- 4. Keep Allen Beautiful and City employees will judge from each school's top-three winning entries, per grade level, to determine city-wide winners. First, second, and third place in each grade *city-wide* will be awarded prizes, invited to City Council Chambers for recognition on November 3rd, and invited to walk with Keep Allen Beautiful in the Rotary Holiday Parade on December 2nd.
- 5. All participants will receive a certificate of participation from Keep Allen Beautiful. Remember, the entry deadline is October 25th!

GRADES K - 1 COLORING CONTEST

Use your imagination and color the recycling character provided, "CWD: Clean Fuel. Clean Air. Clean Earth." (CWD has just purchased 5 Compressed Natural Gas Trucks to service communities in North Texas. CNG trucks don't pollute the air like diesel trucks.) using map colors, crayons or markers. Please, no glued items on the coloring page.

First Prize: Deluxe Artist's Kit
Second Prize: Target Gift Certificate
Third Prize: Keep Allen Beautiful t-shirt and promotional items

<u>GRADES 2 - 4 POSTER CONTEST</u> (no sculptures will be judged!)

Use your imagination and recycling knowledge to create a poster on 22" \times 14" poster board or foam core board about recycling using the theme "CWD: Clean Fuel. Clean Air. Clean Earth." (CWD has just purchased 5 Compressed Natural Gas Trucks to service communities in North Texas. CNG trucks cut air emissions by 25% over diesel-fueled trucks.) Students may write a short essay or poem to accompany the poster. The theme must be stated on the poster. Students may use map colors, crayons, paint or markers for the poster. No glued items may be used.

First Prize: Deluxe Artist's Kit Second Prize: Target Gift Certificate Third Prize: Keep Allen Beautiful t-shirt and promotional items

GRADES 5 - 9 RECYCLED ART SCULPTURE CONTEST

Using only the materials that are collected in the City of Allen's residential recycling program, the student will create an original sculpture with the theme "CWD: Clean Fuel. Clean Air. Clean Earth." (CWD has just purchased 5 Compressed Natural Gas Trucks to service communities in North Texas. CNG trucks cut air emissions by 25% over diesel-fueled trucks.) Information on the City's recycling program is available online www.cityofallen.org/index.aspx?nid=996
Sculpture should be no larger than 15"x15"x25". Students may use glue, wire, tape, twine or string, or any other adhesive method to create their sculpture.

First Prize: Deluxe Artist's Kit and Gift Certificate
Second Prize: Target Gift Certificate
Third Prize: Keep Allen Beautiful t-shirt and promotional items

GRADES 10-12 60 SECOND VIDEO PROMOTING SCHOOL RECYCLING
