Description: Mulligan Tuba Christmas Allen						
<p><i>The Covid-19 pandemic forced the cancellation of all area Tuba Christmas events in the Dallas/Fort Worth metroplex in 2020. The plan is to hold Tuba Christmas in July for area tuba and euphonium players to gather, run through a rehearsal, then perform for family and friends on the outside deck of the Collin College Health Sciences/Student Services Building. Guests in attendance will bring their lawn chairs and sit on the green space just south of the covered deck. Photos of the performance space are included to show the lawn for guests and the cantilevered space where the performers will be featured.</i></p> <p><i>The plan is to have a run through rehearsal at 7pm with the performance at 8pm. This is about a 45-60-minute performance, but it is the opportunity for each of the participants to earn their 2020 Tuba Christmas button, a possession prized by all participants. Some of the participants bring their sashes or scarves, that have buttons on them from each year they have played, some of the sashes look like scout merit badge sashes...it is a fun thing to do.</i></p> <p><i>We are currently looking for two dessert/ice cream or snow cone trucks to be out at the event. We are working with a food truck broker to find and hire the trucks, though this may not happen. We have invited All Community Outreach to be on property to collect food/school supplies/financial donations for their Give Where you Live campaign. This program will be produced in conjunction with the Harvey Phillips Foundation, the founding organization for all registered Tuba Christmas Events. Jeff Baker, the principal Tuba player for the Allen Philharmonic and the Conductor for all of the area Tuba Christmas events – Dallas, Ft. Worth, Denton, Allen, and Commerce, will be the Conductor for this event.</i></p> <p><i>We appreciate your review and approval of this special event permit request.</i></p>
