Nothing says "I love you" like compost! Create a garden for your sweetie. Compost is an important soil amendment that helps provide the nutrients plants need. By adding compost, your garden plants will love you by providing healthy blooms and produce. Texas Pure Products is a locally produced compost perfect for local soils. A discount coupon is on the back cover of the Trash & Recycling

Guidelines found at cityofallen.org/documentcenter/view/143. For more information see TexasPureProducts.com or call 972.769.4150.
