## Commercial Variable Fuel Adjustment Fee (VFAF)

The contractor may add a VFAF to commercial charges based on the following table. Fuel prices cited are Department of Energy diesel fuel prices for the Gulf Coast Region as published by the U.S. Energy Information Administration ([www.eia.doe.gov](http://www.eia.doe.gov)). Surcharges are adjusted the first of each month based on the most recent weekly report for the prior month. If diesel fuel prices exceed \$8.45 per gallon, the surcharge percentage increases 0.39 percent for each \$0.05 increase in diesel fuel price.
