Intoxilyzer 9000 Operator School

October 9-12, 2018

Time: 8:00a-5:00p Tu-Th
8:00a-12:00p Fri

Location:

Allen PD Training Facility
900 S Greenville Avenue
Allen, TX 75002

Tuition: \$400.00

2700 Tibbets Dr. Ste 102
Bedford, TX 76022
817-354-3910
Service@fondrenforensics.com

Students will learn:

- How to properly operate an Intoxilyzer 9000
- State regulations regarding breath alcohol testing
- Legal requirements for breath testing
- Proper courtroom demeanor
- Proper record handling
- Effects of alcohol on the body and while driving

In addition to the classroom, there is a practical lab where students will run practice tests and subject tests on the Intoxilyzer 9000.

Students may also receive 28 TCOLE hours for this training.
