

City of Allen H₂Ome Improvement Residential Rain Barrel Rebate Program Application

Rebate Program Guidelines

- Participant must currently reside at or own and have a City of Allen water utility account in good standing for the property where installation of qualifying item is to occur. This program is for owner-occupied residents only, commercial requests will not be eligible.
- Applications must be received within 120 days of purchase of eligible water conserving item. Rebates will be processed in the order they are received on a first-come first-served basis. Incomplete applications will not be processed. All rebates are subject to the availability of funds. Please check our website at www.cityofallen.org to ensure funds are available for your rebate. The amount of available funds will be updated each month. Funding for each fiscal year will run October 1 through September 30. At the end of each fiscal year, rebate applications must be postmarked no later than September 15 or received at City Hall no later than September 22 to ensure processing by September 30.
- The rain barrel rebate amount will include the price of any rain barrel up to \$25 each. **Tax is not included.** Limit two rain barrel rebates per family lifetime as Allen resident at any address. No participant shall receive more than \$500 in one year from the City of Allen rebate program for any combination of eligible items.
- The City of Allen will gladly take recommendations for new rebate program items. However, the City will only republish its program once per fiscal year and new items accepted will not be included until the next program year's guidance materials are produced.

Rebate Program Instructions

Select, purchase and install a new rain barrel. Then, mail in rebate application with requested copies enclosed. Originals of all copies must be present should an onsite verification occur. If original receipts are not provided or installation of device cannot be verified, the request for rebate will be denied. Be advised that any amount of standing water, as in a rain barrel, is an excellent habitat for mosquitoes and mosquito larvae. Each participant is urged to consider an insect control method suitable for the rain barrel purchased.

Enclose the following with your application and mail to:

City of Allen, Attention: Rain Barrel Rebate
305 Century Pkwy., Allen, TX 75013-8042

- Copy of original sales receipt showing date and place of sale, itemized description of purchase, and cost of item.
- Copy of the original proof of purchase with complete bar code.

*Please retain a copy of all material submitted for your records.
The City of Allen is not responsible for materials lost by mail.*
