

City of Allen H₂Ome Improvement Residential Rain and Freeze Sensor Rebate Program Application

Rebate Program Guidelines

- Participant must currently own and have a City of Allen water utility account in good standing for the property where installation of qualifying item is to occur. This program is for owner-occupied residents only, tenant and commercial requests will not be eligible.
- Only new, qualifying models of rain and freeze sensors will be eligible for rebate.
- This rebate is available for the retrofit of Rain & Freeze sensors on existing irrigation systems installed *more than 3 years ago* and **cannot** be applied in conjunction with a rebate for the SMART Irrigation controller.
- Applications must be received within 1 year of purchase of eligible water conserving item. Rebates will be processed in the order they are received on a first-come first-served basis. Incomplete applications will not be processed. All rebates are subject to the availability of funds. Please check CityofAllen.org/Rebates to ensure funds are available for your rebate.
- The City of Allen does not require an irrigation permit to retrofit an irrigation system for a rain and freeze sensor. The rain and freeze sensor rebate amount is \$25.
- No participant shall receive more than \$500 in one year from the City of Allen rebate program for any combination of eligible items.

Rebate Program Instructions

Select, purchase and install rain and freeze sensor. Submit electronically or mail in rebate application with requested copies enclosed. Originals of all copies must be present should an onsite verification occur. If original receipts are not provided or installation of device cannot be verified, the request for rebate will be denied.

Be sure to enclose or attach the following with your application.

- Copy of original invoice or sales receipt showing date and place of sale, date and address of installation if performed by the vendor or contractor, itemized description of purchase and cost of items.
- Copy of the original proof of purchase with complete barcode (if self-installed).

Mail-in Rebate Application Address:

City of Allen, Attention: R & F Sensor Rebate
305 Century Pkwy., Allen, TX 75013-8042

*Please retain a copy of all material submitted for your records.
The City of Allen is not responsible for materials lost by mail.*

To help comply with ordinance

Rebate Program Terms

I have read, understand, and agree to the following:

- The rain and freeze sensor will be in place at the address listed above as long as I own said property.
- I understand when my application is processed a representative from the City of Allen may contact me to verify the installation of my new rain and freeze sensor before my rebate is issued.
- In accepting this rebate, I acknowledge that the City of Allen is in no way responsible for the condition of the plumbing on my side of the meter, now or in the future.
- I understand that qualifying items are selected on the basis of intended function only. The City of Allen does not endorse specific brands, products, or dealers; nor does it guarantee materials, workmanship, performance, or durability of the qualifying items.
- I understand I may receive reimbursements not to exceed the amount outlined in the program guidelines. Processing of completed applications takes approximately 12 weeks. Once processing is complete and the rebate is approved, a credit will appear on your utility bill.
- I certify that the information on this application is true and correct to the best of my knowledge.
