The purpose of the Multi-Family Licensing and Inspection Program is to safeguard the life, health, safety, welfare, and property of the occupants of multi-family dwelling complexes and the public, by developing a process to enforce city building code standards and city property maintenance codes; and to provide equitable and practical remedies for the violation of city building code standards and city property maintenance codes.

The Code Compliance Division is committed to maintaining a vibrant community through active participation and engagement of Allen residents. To ensure compliance with City Codes, Zoning Ordinances, and other applicable property maintenance codes, Code Compliance Staff regularly inspect our multi-family communities to encourage, assist, and facilitate residents and multi-family properties in maintaining their property and fulfilling city code requirements.

An Annual Inspection is performed at all multi-family dwelling complexes operating at least one year with 3 or more dwelling units. Violations identified during the inspection are documented on an Inspection Report that is sent to the property manager/property owner for correction. The inspection consists of all exterior and common interior areas of the property.

In addition to the Annual Inspection, violations are proactively identified by staff and through citizen inquires. Typically, when violations are identified, the property owner and/or occupant are notified to correct the violation/s within an established time frame. Residents should contact the Code Compliance Division if they have any questions or need further clarification.

FREQUENTLY ASKED QUESTIONS

Q. How soon after filing a complaint will an inspection be performed?
A. Staff usually responds within 72 hours.

Q. I would like the inside of my apartment inspected, why won't an inspector come inside?
A. At this time, only exterior and common interior areas are inspected.

Q. How long will it take to resolve a violation found during an inspection?
A. Time frames vary but we strive to gain compliance within 10-30 business days.

Q. Can I file an anonymous complaint?
A. Yes, however, providing contact information allows the inspector to gain additional information if needed and follow up with the complainant.

Q. What happens if the violation is not corrected after the inspector has instructed the property owner to do so?
A. Depending on the violation, this might include issuing a notice to appear in municipal court or an administrative abatement to gain compliance.

Q. Who is responsible for correcting the violation?
A. The property owner unless the violation is not a result of the building defect such as improperly stored tenant items.

Q. Can the City get me out of my lease?
A. The City does not get involved in civil matters such as contractual agreements, nor can we provide legal advice.
