CLASS DESCRIPTIONS

Land Classes

BODY BLAST. 60 minutes of dynamite strength training for all major muscle groups. Each body part is blasted for 5 minutes using weights, tubing, and weighted bars.

BODY SCULPT. The high energy, fully packed 50 minute session will work your upper and lower body using weights, bands, steps, and floor exercises.

CORE ENDURANCE. High impact exercises on the mat that develop long, lean muscles. A focus on position and alignment will get you big results in limited time!

PILATES. Increase torso strength and stabilization with mat exercises aimed at lengthening muscles rather than creating bulk. Flexibility will also improve as you focus and breathe in this balanced regimen.

SILVER SNEAKERS: BOOM MUSCLE. Participants will challenge their muscular strength and endurance alternating between cardio and resistance training.

SILVER SNEAKERS: CLASSIC. Enjoy the music through a variety of exercises designed to increase muscular strength, range of movement and activities for daily living. A chair is available if needed for seated or standing support.

STRENGTH YOGA. Focus on flexibility, balance and strength through vinyasa flow to allow poses to seamlessly form.
*Modifications offered

YOGA FOCUS. Use vinyasa flow to allow poses to smoothly form while focusing on correct form leading up to stress reduction and calmness of meditation.

Water Classes

MOVING MATTERS. A low to moderate intensity water class to improve strength, endurance, flexibility and balance. Benefits those who experience arthritis, joint pain, autoimmune disease, and injury recovery. **FREE for Natatorium, Senior Center, Optum & Silver Sneakers members. There is a \$3 drop-in fee for others to attend.**

RIVER ROBICS. This class utilizes the force and resistance of the lazy river for a challenging cardio and body-toning workout. Use equipment such as noodles and buoys to enhance your workout. All fitness levels will enjoy this class.

SILVER SNEAKERS: SPLASH. This class utilizes the physical properties of water to enhance agility, range of motion and cardio conditioning. Instructors will choreograph "water moves" with the Silver Sneaker kickboard to develop strength, balance, and coordination.

TOTAL FITNESS SHALLOW. Build cardiovascular endurance as you perform water exercises in the Leisure Pool. Perfect for anyone who doesn't like deep water! All ability levels welcome.

FUNCTIONAL FITNESS. A fun shallow water class for beginners to introduce a variety of exercises adapted to low-impact water environment to improve flexibility and overall conditioning.

POWER SPLASH. This advanced, deep water class features more intense cardio work than our regular classes. Strength training is emphasized with the use of resistance equipment. Build strength with low impact!

DEEP WATER MIX. This fun-filled deep water class includes the use of flotation belts and water noodles. You will hop, run, leap, and bicycle kick to upbeat music. Add strength training with buoy's and noodles to add resistance and get a total body workout!

DEEP WATER FITNESS. This is a perfect class to improve flexibility, range of motion and strengthen muscle to build stamina while also performing high intensity cardio.

TOTAL FITNESS DEEP. Designed to accommodate intermediate to advanced individuals seeking to target core stabilization, muscular balance, and endurance. Class includes cardio and strength interval training while wearing flotation belts.

DEEP WATER CHALLENGE. This full-body workout targets core strength, cardiovascular endurance, muscular toning and balance. Buoyancy belts are used for deep-water flotation and safety.
